

Knowledge Sharing Session on Stainless Steels-Pune (18 April, 2019)

ISSDA in association with the Nickel Institute organized a knowledge sharing session on stainless steels in Pune on 18th April, 2019 at Sayaji Hotel. It was an evening programme and the keynote speaker was Mr Gary Edward Coates along with speakers from other companies like Stalutube and JSL Ltd. Around 50 participants from various companies like Thermax, Mojj Engineering, WILO, Sandvik, Kirloskar, Neologic Engineers, ACG, Sulzer, Praj, consultants and stainless steel companies attended the seminar. The programme went off very well and technical queries were answered by Gary Coates. Objective of the programme to bring more knowledge on high performance stainless steels were highly appreciated.
